

WKKX LOCAL PROGRAM/ISSUES REPORT
FOR OCTOBER, NOVEMBER, DECEMBER 2007

WKKX management has determined that the following issues are of community importance to our license area. We have determined this through extensive interaction with community leaders as well as the general public. We respond to these problems with programs that feature guest relevant to the topic, as well as by providing a large number of Public Service Announcements (PSAs) during the course of our broadcast day. We offer smaller local organizations the ability to be interviewed on-air, and larger organizations to be represented on-air and with pre-recorded :30 and :60 spots. A list of organizations represented with pre-recorded spots is available in our file.
